DOB : 06/09/1996
Nationality : INDIAN
Status : Married

SKILLS

Capable of testing plastic products using UTM, Impacto meter, Durometer Hardness tester, B Viscometer

Capable of performing thermal characterization using Differential Scanning Calorimeter (DSC), MFI, TGA, Melting point analyser, HDT/VST, Moisture analyser

Capable of testing natural rubber latex includes TSC, DRC, VFA, Alkalinity
Document Controll & Audit Compliance

PROJECT

Determination of Band gap energy of znS film using photospectrometer

PUBLICATIONS

Advanced polymeric composites via commingling for critical engineering applications-Polymer Testing journal

<https://doi.org/10.1016/j.polymer.2020.106774>

Polycarbazole & its derivatives progress, synthesis and applications - Journal of polymer research

<https://doi.org/10.1007/s10960-022-0254-020-5>

EXPERIENCE

Mariya Healthcare pvt ltd

QA Assistant (April 2022 - Present)

- Testing, sampling and inspection of incoming raw material, process samples and finished products, ensuring their standards and specifications
- Document data and test results in appropriate result sheets
- Perform routine maintenance and calibration of lab equipment as needed
- Certified Internal Auditor of ISO 13485, Non-conformance Managing, Internal Audit, CAPA, Customer Audit, Root Cause Analysis, Corrective and Preventive Action

Magnol Lubricants, Coimbatore

Chemist (April 2021 - March 2022)

- Testing and blending of lubricant oil

Defence Institute of Advanced and Technology, Pune

Intern (December 2019 - May 2020)

- The internship was done under the guidance of Prof Balasubramanian, Metallurgical and Materials Science Department, DIAT, Pune

Rubber Training Institute , Kottayam

Trainee (April 2019 - May 2019)

- Short term training on rubber product manufacture and testing

EDUCATION

Central Institute of Plastic and Technology -CIPET, Kochi

MSc Polymer Science (June 2018 - August 2020)

- CGPA- 8.65

Sree Keralavarma College, Thrissur

BSc Physics (June 2014 - April 2017)

- Percentage - 76

GMGHSS, Kunnamkulam

Plus Two - Bio Science (June 2012- April 2014)

- Percentage - 91.3

Higher Secondary School, Peringode

SSLC (June 2011- March 2012)

- Percentage - 86

ACHIEVEMENTS

Participated in "World's Largest Human Recycling Logo "
Conducted by CIPET, Chennai
