Financial Analysis:

- In the month end we do analysis of P&L and B/S by pulling various reports. Every month end we would pull the trend report which would give us the variances as compared to previous months for P&L accounts in cost center level. We would check all the variances which are above threshold as per the company policy and write detailed comments with reasons for the same. Part of analysis if we find any variances coming due to wrong postings or miss postings we would correct the same before the closure of books and clear the variances.
