📋 OBJECTIVE

To build a career that offer challenge and growth with opportunities to enrich my knowledge and skills while contributing my hard work and to be reliable to the Enterprise I work for.

👜 EXPERIENCE

Senior Executive - QC | Cellbios Healthcare & Lifescience Pvt Ltd, Chennai

JULY 2023 – PRESENT

Medical Devices Manufacturing.

⋮ ROLES & RESPONSIBILITIES

- Overall In-charge of QC & In process QC Department activities.
- I have sufficient knowledge with medical devices quality management systems as per ISO 13485:2016 standard.
- Manage the QC department daily activities including; In-process and Lot Release Sample Analysis, Stability Studies, and Inspection and testing Raw Materials.
- Support development of novel QC analytical methods working with the analytical development department.
- Manage quality control equipment validation, calibration and maintenance activities.
- Write, edit, review, approve and implement testing Standard Operating Procedures (SOPs).
- Write, edit, review, approve and implement product specifications raw material specifications.
- Review and approve quality control laboratory records including environmental monitoring, deviations, corrections, change controls, OOS and lab investigations.
- Manage quality control budget and responsible for implementing cost savings within the department.
- Manage quality control operations to validate and support the manufacturing facilities.
- Responsible for all outsource testing's.
- I have handling of various type of products; Bio-Banking (Freezing Bags, Transfer Freezing Bags, Transfer Bags, Accessories), Bio-Process (Upstream Bioprocessing, Downstream Bioprocessing, Manifold Transfer Sets, Sampling Bags, Storage Bags), Cell Therapy (Bone Marrow Transplantation, Cord Blood Transplantation, Cord Blood Storage, Cryo Storage / Cryo Preservation, Stem Cell).

ROLES & RESPONSIBILITIES

- Overall In-charge of QC Mechanical Department activities.
- I have sufficient knowledge with NABL quality systems as per ISO 17025:2017 standard.
- Working Knowledge with international family planning agencies UNFPA.
- Having experience and capabilities to undertake a broad range of laboratory testing and calibration of medical devices.
- Experienced by fundamental principles of quality, continual up gradation of skills in equipment handling, calibrations and maintaining of instruments.
- Experience in preparing the qualification and validation protocol files (IQ, OQ and PQ) for the new instruments.
- Preparation of standard operating procedure in the relevant fields.
- Method development and new method implementation for all medical devices.
- Calibration and maintain the various instruments like Blood Bag Testers, Condom Inflation Tester, Water Leakage Tester, Universal Testing Machine (DAK and INSTRON), Hot Air Oven, Humidity Chambers, Walk-In Stability Chamber, Microscopes, etc.
- Working experience with all leading Indian Medical Devices Manufacturers.
- I have Handling Various type of medical devices like Sutures, Surgical and Examination Gloves, Male and Female Condoms, Copper T, Tubal Ring, Surgical Gowns, Medical Packages, Urinary Catheters, Blood Bags, etc.
- I have development for the Syringe testing as per ISO guidelines.
- I have development for the Inhalers testing as per German company.
- I have experience for stability study for medical devices as per ASTM guidelines. Also prepared stability test protocol.
- I have experience in Bovine Pericardium tissues and Stem Cells: Amnion, Chorion , Amnion with Chorion tissues sample in Tensile Properties.

SKILLS

- **Indian and International Standards:**

- | | |
|--------------------|----------------------|
| ➤ ISO 4074:2015 | ➤ ASTM F 88-15 |
| ➤ ISO 25841:2017 | ➤ ASTM F 1929-15 |
| ➤ ISO 21171:2006 | ➤ ASTM D 6319 |
| ➤ ISO 7886-3:2020 | ➤ ASTM F 1980 |
| ➤ ISO 3826-1:2019 | ➤ ASTM D 7661-18 |
| ➤ IS 13422:1992 | ➤ EN 455-1,2,&3:2020 |
| ➤ IS 15354:2018 | ➤ WHO/UNFPA:2016 |
| ➤ ASTM D 3577/3578 | ➤ USP |

- Experience on **Testing, development and validation** of medical devices.
- Good knowledge in **Medical Devices Testing**.
- **Hands on Training:** One-Day national workshop on 'X-Ray Diffraction' organized by advanced characterization facility, Sathyabama center for advanced studies, sathyabama institute science and technology, Chennai on January 27, 2023.

- One-Day workshop hands on training programmer on ‘structural and optical characterization techniques’ (Ultraviolet Spectroscopy, Fourier Transform Infrared Spectroscopy, X-Ray Diffraction and Photo Luminance) organized by the department of physics, Sri Sivasubramaniya Nadar college of Engineering on March 24, 2023.

PROJECT DONE

- Developing CIPLA Inhalers German Type Inhalers:
 - Testing development Inhalers cap opening force, mouth piece opening force, chamber opening force and push button force.
- Developing test perform the sterile hypodermic Syringes:
 - Testing development for sterile hypodermic Syringes and Needles for ISO standards.
- WHO/UNFPA:2016:
 - Intra uterine copper contraceptive device testing successfully on going.
- Surgical Gloves:
 - Brand of gloves successful tenting on going for AGE care, Rakshan, Medismart, Star, Surgicare, DealMed, and etc.
- Contraceptive Devices and Blood Bags:
 - HLL Lifecare, MHL Healthcare, DKT India and other company products is successful testing is done.
- Surgical Gowns and Packaging Integrity:
 - Shivesree, Medisphere, Syndrai and other company products is successful testing is done.
- Stability Study:
 - Accelerated ageing study perform the ASTM F 1980 standard for all medical devices.
 - KRIYA Healthcare; Blood Collection Tubes, Vijayalakshmi Healthcare; Gloves, Candore; CANSure Disinfectant, Cephas Healthcare; Catheters, and etc.
- Tissues Tensile Properties:
 - Tensile Strength, Load, Elongation, Force at Break, Elongation at Break testing for various tissues samples. (Bovine Pericardium tissues and Stem Cells:Amnion, Chorion , Amnion with Chorion)

EDUCATION

M.Sc Physics | Salem Sowdeswari College-Periyar University , Salem

2017 – 2019

Percentage – **70%**

B.Sc Physics | Government Arts College (Autonomous)-Periyar University , Salem

2014 – 2017

Percentage – **75%**

HSC (Maths Biology) | Government Higher Secondary School, Chettimankurichi

2014 – BATCH

Percentage – **83%**

INTER PERSONNEL SKILLS

- Hardworking, Self-motivated, Team oriented & Effective team player with great inter-personal skills.
- Quick learner, Capable of implementing modern techniques and management tools.
- Ability to rapidly build Relationship and set up Trust.
- Creativity Ideas on science concepts.

PERSONAL DETAILS

- Father's Name : Sengottaiyan G
- Languages Known : Tamil, English
- Nationality : Indian
- Permanent Address : 7/65, Chinnadhandavanoor, Chettimankurichi, Edappadi (Tk), Salem (Dt), 637101.

I hereby declare that the above information's are true to my knowledge and I hold responsibility for the misinformation provided.
