- ❖ QA - QMS,
- ❖ QA - TMS,
- ❖ B.D,
- ❖ R&D Documentation.

Academics:

Audits handled:

Lead the audits like

- ☐ ISO 22000
- ☐ FSSAI
- ☐ Ayush
- ☐ Cert ID
- ☐ Koshier
- ☐ DSIR &
- ☐ Halal

Languages Known:

Telugu	Proficient
English	Proficient
Hindi	Advanced

Skills:

M.S. office:

Documentation:

Instrumentation:

Wet Analysis:

R&D Projects:

Achievements:

- Gold medallist in B.Sc.
- Achieved Gold Medal for Social service from Rotary Club.
- Merit Scholarship holder.
- Stood District 1st in Essay Writing Competition conducted by 'Jana Vignana Vedika'.

Work Experience:

- ✓ Biopharma Laboratories private limited- BBM group (01 Dec 2021 - Present)
- ✓ Aizant Drug research solutions private limited &
- ✓ Lifespan private limited.

Technical abilities:

Documentation:

- Preparation of Specifications, STP's and SOP's.
- Reviewing of analytical data of QC, Production, R&D and Stores.
- Preparation of CAPA reports, Handling of OOS and Deviations and preparing the investigation reports of the same.
- In corporation of GLP, GMP and Safety related documents.
- Conducting Internal audits for compliance in Housekeeping, Safety and Online Documentation.
- Analysis as well as documentation of Raw materials, In-process samples, FG products & Stability products.
- Preparation, Analysis as well as documentation of working standards.
- Daily Monitoring of temperature and Humidity of stability chambers.
- Maintenance of control samples as per their storage condition and packing configuration.
- Maintenance of Reserve samples.
- Maintenance of Chemical entry register & Glassware calibration as well as record making.

- Preparation of technology transfer documents.

Instrumentation:

Particle Sizer (Malvern) (Wet Method),

IR,

TOC,

PH Meter (Mettler Toledo),

TDS/ Conductivity meter,

Conductivity meter (Metrohm),

Viscometer (Brookfield Ametek),

Moisture analyzer (Ohaus),

Hardness tester (Electro lab),

Bulk density apparatus,

Hot plate,

Ultrasonic water bath,

Muffle Furnace,

Hot Air Oven,

Work Experience:

Instrumentation:

- HPLC (Waters Binary pump with manual injector model; Software: Empower),
- HPLC (Shimadzu I Series Quaternary pump model; Software: Lab solutions),
- GC (Agilent Series ; Software: Open lab solutions),
- Skalar Continuous flow analyzer,
- Gardner colour instrument,
- Rotary evaporator,
- UV &
- Disintegration apparatus

Projects Handled:

(From R&D trails to commercialization)

- Amla Juice
- Aloe vera Juice
- Nicotine
- Nicotine Ditartarate Dihydrate
- Nicotine benzoate
- Nicotine Polacrilex
- Nail polish Remover
- Hand sanitizer
- Nicotine E liquid
- Gingerol
- Natural mixed tocopherols
- Talcum powders
- Foot cream

Others:

- Process Validation,
- Method validation,
- Equipment qualification,
- Organization validation,
- Personnel validation ,
- Training on pest control management,
- Training on fire safety &
- Vendor assessment & qualification.
