

Dr. Yogananda Reddy Kurra

H.No:5-320/5, 2nd Floor
Chandra Nagar 2nd line, Chinthal
Hyderabad-500054, Telangana, India.
Mobile: +91-9985701436,
Email: Yoganandareddykurra@gmail.com

▪ **Professional Profile**

- Technically astute & diligent with a career of 9 Years 3 months of experience in analytical research of pharmaceutical Finished products, Intermediates, Raw Materials and Active pharmaceutical ingredients.
- Seeking challenging & rewarding assignments across the industry.
- Literature search during method development for pharmaceutical products.
- Planning, guiding and motivating team members as and when required.
- Adept in maintaining all the records of research activities.
- Daily reviewing of the development activities by regular interaction with team.
- Preparation and review of analytical method test procedures for performance of regular active pharmaceutical ingredients and Formulation support analysis.
- Preparation and review of Analytical method development reports for assay, dissolution and related substances methods.
- Preparation of Protocols and reports of Analytical method validations for assay, dissolution and related substances.
- Screening of elemental impurities in different active pharmaceutical ingredients and formulation products as per ICH Q3D and other regulatory body.

- Preparation of protocols and reports for elemental impurities.
- Seeking technical advice from department head and technical support mentor of the organization as and when required during development at critical stages.
- Regular discussion with department head regarding ongoing projects and future pipeline projects.
- Drive projects for on time delivery.
- Knowledge on regulatory guidelines of FDA, ICH, EMA, DCGI etc.
- Attend Regulatory deficiencies with necessary supporting data.
- Having good experience in handling high spec instruments such as HPLC, ICPMS, LCMS, GC, UV etc.
- Operation, Performance verification and Calibration of different analytical instruments like HPLC, ICPMS, UV, dissolution apparatus, analytical balances of different weighing capacities used in analytical laboratory, pH meter, centrifuge, sonication apparatus.
- Qualification of new instruments as per procedure before a Standard Operating Procedure is implemented.
- Interact with Quality assurance team during lab and project specific compliance audits and address the queries of audit with relevant corrective and preventive actions.
- Adhere to lab safety practices, identify and report unsafe acts prevailing as work place.
- Participate actively in project updates and technical discussions during regular cross functional team meetings to have better understanding of the role of each function in delivering different projects.
- Train as and when required new recruiters on lab specific SOP'S and monitor the progress, plan for the training programs etc.

- As a Senior Scientist and Group Leader in analytical research and development department, carrying out development, validation of Active Pharmaceutical ingredients and Formulation support analysis for solid orals, semisolids, oral suspensions, sachets and parenteral drugs by the use of different instrumental methods following current regulatory guidelines for different markets.
- Reviewing analytical data on rational & non-judgmental scientific basis.
- Guiding analyst in regular analytical activities.
- Planning of day to day activities.
- Planning, preparation, guiding and review of method transfer activities to sponsor site.
- To provide necessary technical inputs and support during the trouble shooting of regular analytical activities at sponsor site.
- Adherence to good laboratory practices (GLP).
- Investigate for any failure of analytical data and file a failure investigation report.
- Preparation, Execution and Review of Analytical Method validation protocols, raw data and reports.
- Execution and review of Analytical Method development raw data and method development reports.
- Preparation, Execution and Review of analytical instrument qualification/calibration/maintenance protocols/records including validated calculation spread sheets.
- Preparation, Execution and Review of Analytical method transfer protocols, raw data and reports to sponsor site.
- Preparation, Execution and Review of Specifications/STPs/GTPs and associated ROAs.

- Retrospective verification of product development reports and associated analytical raw data and reports as and when required.
- Preparation, Execution and timely review of stability data reports of finished pharmaceutical products and associated raw data.
- Preparation, Execution and Review of in-process and finished product raw data and associated analytical reports.
- Laboratory investigation of OOS/OOT/Calibration failures.
- Preparation and Review of Change control notes/Incidents/deviation reports.
- Adherence to organization quality policies for successful internal and external audits.
- To coordinate and lead external audits by sponsors/clients.
- To coordinate and arrange the documents needed for sponsors/clients.
- Very strong analytical and problem solving skills.
- As a Senior Scientist reviewing analytical data for regulatory submission in adherence to quality diligence & regulatory compliance and attending regulatory deficiencies.

Professional Chronology

Present position: Deputy Manager-Analytical Development Laboratory.

June 2021- Till date Aizant drugs Pvt. Ltd, Dullapally, Hyderabad.

November 2018- May 2021 Simson Life Sciences Pvt., Ltd. Prasanth Nagar, Hyderabad, Telangana.

July 2016- October 2018 Virchow Bio-Tech Pvt., Ltd, Gagillapur, Hyderabad, Telangana.

May 2012-June2016 RA Chem pharma Ltd, Hyderabad, Telangana, India.

June 2007-April 2008 Sri Vasavi Junior College, NRT, Guntur, Andhra Pradesh.

Key Attributes:

- Excellent Communication skills
- Team Management skills
- Negotiation with Cross Functional Teams
- Good problem analyzing and solving skills

Education Credentials:

- Ph.D. in Chemistry from Jawaharlal Nehru Technological University Anantapur in April 2012.
- M.Sc. in Organic Chemistry from Acharya Nagarjuna University, Guntur in April 2007.
- B.Sc. (M.P.C) from Sri Subbaraya and Narayana degree college, Narasarao Pet, Guntur in 2005.
- Intermediate (M.P.C) from Sri Nagabhirava Junior College, Gullapalli, Ongole affiliated to Board of Intermediate Education in April 2002.
- Schooling from Sri Nethaji Residential public school, Vijayawada, Andhra Pradesh affiliated to State Board of Secondary Education.

IT Skills:

- MS-Office, Internet Application
- Computational Database (Scifinder, PubMed) and Literature Search Chromatography audio, Hyper chem.: Molecular modeling, Chemstech

Awards & Achievements

- Twenty five National and International Research and Review Publications.
- Participated and presented papers in six International and National conferences.
- Visited Srilanka for International conference for participation and presentation

of Research paper in the year 2011.

- Reviewer and Editorial Board member for few peer reviewed National journals.
- Wrote two book chapters for International publisher of S. CHAND Publications.
- Organize committee member for two International Conference.
- Member ship in Professional body as Fellow member in International Congress of Chemistry and Pharmacy (FICCP).

Personal Details

Marital status	:	Married
Date of Birth	:	10-01-1984
Nationality	:	Indian
Languages known	:	Telugu, Hindi and English

Declaration:

I hereby declare that the above furnished details are true to the best of my knowledge.

Date: 27/07/2021

Place: Hyderabad,

Yours Sincerely

(Dr. Yogananda Reddy Kurra)
